Scripture by Heart
December "Family"

During Advent this year we will again focus on Isaiah Chapter 11 which prophesizes the coming of our Lord. All of Chapter 11 focuses on the peace and justice that Jesus, through his birth, will bring to the world. We hope you will find this Chapter in the Bible and read it together with your family at the start of Advent. It is very beautiful and reminds us of the importance of family and ancestors (Jesus was a descendent of Jesse through the House of David and Joseph).

Dec. 6 Isaiah 11:2

The spirit of the Lord shall rest upon him: a spirit of wisdom and of understanding.
